

CHARACTER CHARADES

Instructions

One of the most magical moments at Disney Parks is meeting your favorite Disney character. Challenge partygoers to act out the characters in Character Charades and don't forget to schedule a meet and greet with their favorite character on their next Disney Parks visit!

1. Cut out the squares on the Character Charades print-out on the following page.
2. Fold the squares in half and place in the bowl or cup.
3. Select a child to go first, having them select a character from the bowl or cup. Now it's time for them to act out the character shown on the square they selected. To make the game a little tougher, tell them to use actions and motions instead of words!
2. The rest of the group will try to guess their character.
3. Whoever guesses correctly first takes the next turn acting out their favorite character.
4. Keep playing until everyone has had a chance to show off their acting skills.
